

PROJECT PROPOSAL ON ORPHAN CHILDREN HOME

Introduction:

In our project area number of Orphan, Semi-Orphan and Street Children are found. The problem of orphan/street children is acute due to urbanization and industrialization. Due to the deaths of HIV/AIDS affected persons, Re-marriage of deserted/widowed/divorced women, absence of love and security in the families. Family disputes, Unwanted pregnancy of Trafficking/Sexually exploited girls; these orphans and street children are left without care and support. These children are involved in rag picking; pick pocketing and participating in anti-social, criminal activities. Therefore, we envisage mistreating these children in the national building by providing care, support and protection in our **ORPHAN CHILDREN HOME**.

Our Mission:

Mainstreaming the Orphan, Semi-Orphan and Street Children in the national building by providing support & protection through shelter, food and education is our mission.

The Project-An Overview:

In spite of planned development and special provision of accelerated socio-economic development of neglected/disadvantaged sections, the issue of orphan, Semi-Orphan and street children is not properly addressed. In our project area many orphan, Semi-Orphan and Street Children are found. The problem of Orphan/Street children is acute due to urbanization and industrialization. Due to the deaths of HIV/AIDS affected persons, Re-marriage of deserted/widowed/divorced women, absence of love and security in the families. Family disputes, Unwanted pregnancy of Trafficking/Sexually exploited girls; these orphans and street children are left without care and support. These children are involved in rag picking; pick pocketing and participating in anti-social, criminal activities. Therefore, we envisage mistreating these children in the national building by providing care, support and protection in our **ORPHAN CHILDREN HOME**. - To accomplish physical, intellectual and aesthetic development of the child.

Project Activities:

- Identification of orphan/semi-orphan/Street children
- Pre-view of the incoming orphan/semi-orphan/street children problem/difficulties.
- Teaching facilities for basic education
- Teaching facilities for vocational courses and crafts
- Lodging and boarding facilities for all inmates.
- Recreation facilities
- Primary health

Methodology:

We have been identifying orphan/semi-orphan/street children through our volunteers, citizens, police women and children welfare department. We pre-view of the incoming orphan/semi-orphan/street child problems/difficulties. We counsel and arrange for Emotional acceptance of the orphan/semi-orphan/street child. We provide Lodging and boarding facilities for all inmates at a rented building in Kitemu, Wakiso District. We arranged teaching facilities in nearby schools according to their age. We also provide home tuitions, recreation and health care.

We have been running the Orphanage with local donations and contributions only. We mobilizing both cash and kind. We have limited resources to take care of 50 orphan/semi-orphan/street children. But, day by day number of children are increasing due to various reasons. We need additional support from the donors and Philanthropists to meet the need of increasing orphan/semi-orphan/street children in our Centre. We seek support for about 2 years. Meanwhile, we will sustain to mobilize continuous local donations through exhibiting our good work and service. We are planning to build permanent home by acquiring land from the donors and Philanthropists.

This home will have one Care Taker who besides handling day-to-day administration and will look after the hostel as warden. One Teacher, One Vocational instructor, One cook, One attendant, One Watchman will be provided for home. A doctor will be appointed as Center Medical attendant on honorarium and all the inmates will be provided with health check-up, medicines, food, cosmetics, one set of books and two sets of uniform every year.

The proposal covers 60 orphans. Every child will be provided with nutritional diet, indoor and out-door recreation and play facilities and training in crafts and hobbies.

Impact analysis:

The project will be monitored at regular intervals through a “Project Advisory Committee (PAC)” consulted with the President of the Organization as convener/member secretary. Authorities from the Funding Agency, Local District Administration etc., will be nominated as members of the to the project advisory committee. The committee would meet periodically once in 3 months and advise on various aspects concerning implementation of project and review of the program/activities undertaken. The project Advisory Committee will also review the accounts and audited statements.
